Everyone, Hi-

Attached is your electronic copy (pdf file) of the Burlington Main WWTF Compliance Evaluation Inspection (CEI) letter. The overall rating for the CEI is "Excellent" which is the highest rating in our five-tiered inspection rating system. "Excellent" does a good job of describing my opinion of how Tim and the other Operators operate and maintain the WWTF in addition to complying with their permit limits, conditions, and schedules.

If you have any questions or comments, please feel free to contact me.

Thanks

Jeff
